8. **The heats** will be set according to the times entered. Womens heats will be started at the window side of the pool and the men's heats at the tower side. In case of too many entries for the 400m, 800m, and 1500m freestyle, there will be two swimmers starting in each lane and the number of heats can be limited. With two swimmers in one lane timing will be manual ("Half Automatic").
Please remind, that for 800/1500m freestyle you must have your own assistant showing the lap counters. If there are significantly more female than male entries, female events from the end of a session can be started on the men's side (tower side). In this case the last female events of a session (e.g. 800 and 1500m Freestyle) will run at the same time and participating in both events may be impossible !
9. **Medals** will be awarded to the 1-2-3 places in all age groups. Places 1-10 will receive certificates. For a new "Weihnachtsschwimmen" meet record a **cup** will be awarded.

Good budget **places to stay overnight** can be found under www.sv-wiking-kiel.de/veranst/hotel.htm
